These decision-making skills are developed over time, and while they are important in life, they can also be tricky. Did you know that infertility can be as common as second or third-degree burns in the United States? And, that infertility affects both sexes equally? Infertility is when a couple cannot conceive a baby within one year of trying. One in six couples are unable to achieve a pregnancy, and half of the women who try to conceive do not have the ability to do so. This weekend, I was volunteering at my favorite event - a fun run. The runs are from 5 miles to a half-marathon distance and are usually held in different cities across the country. Most of the participants are runners, but there are people who come to be around the races, cheer the runners on, run a few miles, and then it's time to grab a beer and snack before the awards ceremony.Q: Microsoft.Scripting v2.0 - How to access a class from an external assembly using VSTO When using Microsoft.Scripting with Visual Studio 2010/VSTO it is possible to access classes in your own assembly (without any using/import statements) using the following code: using Microsoft.Scripting; Module Module1 Sub Main() Dim ctor As ScriptRuntime.CreateObject ctor = New MyAssembly.Class ctor.MyMethod f678ea9f9e
